Subject: FW: Lower Passaic River - 5/15/2018 Weekly Call Action Item List

Diane I was talking through the 5th action item with Aaron – the review of CPG’s updated interim remedy in response to the CSTAG’s recommendation. You mentioned that there was a question from Michael associated with it but we cannot locate his question/comment. Is it just that “do we generally agree with their update?”

Please advise, thanks

Scott F. Kirchner
